

# Certificate I in Horticulture

Incorporating pathway subjects to Cert II

Fully funded training available for eligible participants...

Includes Construction (White) Card & First Aid Level II Accredited Training

National Green Jobs Corps participants are offered a combination of work experience, skill development and accredited training. Participants will work on projects focused on conservation, protection and rejuvenation of Australia's natural environment and cultural heritage.

Involvement in National Green Jobs Corps leads to a nationally recognised qualification which will help lead to future employment and training opportunities.

**This fully accredited and funded training takes place over 26 weeks (full-time)**

**Participants will complete the following nationally accredited training:**

- **Certificate I in Horticulture (RTF10103)**

UNIT CODE	UNIT OF COMPETENCY
